Are you a passionate individual, full of energy and enthusiasm?

We are looking to recruit a highly motivated and reliable IT specialist teaching assistant to join our team. This individual will have an in-depth knowledge or interest in Information Technology. This is a partnership wide position and will involve travel, a full UK driving licence and mode of transport is essential.

We aspire to provide a rich learning experience to all where children are encouraged to become successful learners, confident individuals and responsible citizens. We are looking for a teaching assistant who will inspire our children, whilst supporting them to flourish, achieve and thrive during their time at school.

Previous experience is desired for this position and specific training will be given.

We are a 6 school partnership, including a National Support School. Our Executive Headteacher is a National Leader and leads 3 community schools and 2 faith schools. We centre on the child in every sense of the word and our diversity and richness adds even more to the provision that we offer.

The successful candidate will uphold the ethos, vision and mission of the school in order to support the school to impact positively on the children within our care.

The successful candidate will benefit from one day a week professional development in the first instance and a comprehensive package of recruitment and retention incentives.

Safeguarding Statements

This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

This role requires an enhanced DBS.
